

OWNER BUILDER STATEMENT/AFFIDAVIT

JEFFERSON COUNTY/CITY OF MONTICELLO

Florida statutes are quoted here in part for your information to indicate the authority for exemptions for homeowners from qualifying as contractors and to express any applicable restrictions and responsibilities.

OWNERS MUST PERSONALLY APPEAR AT THE BUILDING DIVISION TO SIGN THIS DOCUMENT.

BY SIGNING THIS STATEMENT, I ATTEST THAT: (initial to the left of each statement)

	I understand that state law requires construction to be done by a licensed contractor and have applied for an owner-builder permit under an exemption from the law. The exemption specifies that I, as the owner of the property listed, may act as my own contractor with certain restrictions even though I do not have a license.
	I understand that building permits are not required to be signed by a property owner unless he or she is responsible for the construction and is not hiring a licensed contractor to assume responsibility.
	I understand that, as an owner-builder, I am the responsible party of record on a permit. I understand that I may protect myself from potential financial risk by hiring a licensed contractor and having the permit filed in his or her name instead of my own name, I also understand that a contractor is required by the law to be licensed on Florida and to list his or her license numbers on all permit and contracts.
	I understand that I may build or improve a one-family or two-family residence or a farm outbuilding. I may also build or improve a commercial building if the costs do not exceed \$75,000. The building or residence must be for my own use or occupancy. It may not be built or substantially improved for sale or lease. If a building or residence that I have built or substantially improved myself is sold or leased within one year after the construction is complete, the law will presume that I built or substantially improved it for sale or lease, which violates this exemption.
	I understand that, as the owner-builder, I must provide direct, onsite supervision of the construction.
	I understand that I may not hire an unlicensed individual person to act as my contractor or to supervise persons working on the building or residence. It is my responsibility to ensure that the persons whom I employ have the licenses required by law and by county ordinance.
	I understand that it is a frequent practice of unlicensed persons to have the property owner obtain an owner-builder permit that erroneously implies that the property owner is providing his or her own labor and materials. I, as an owner-builder, may be held liable and subjected to serious financial risk for any injuries sustained by an unlicensed person or his or her employees while working on my property. My homeowner's insurance may not provide coverage for those injuries. I am willfully acting as an owner-builder and am aware of the limits of my insurance coverage for injuries to workers on my property.
	I understand that I may not delegate the responsibility for supervising work to a licensed contractor who is not licensed to perform the work being done. <u>Any person working on my building who is not licensed must work under my direct supervision and must be employed by me, which means that I must comply with laws requiring the withholding of federal income tax and social security contributions under the Federal Insurance Contributions Act (FICA) and must provide worker's compensation for the employee. I understand that my failure to follow these laws may subject me to serious financial risk. I agree that, as the party legally and financially responsible for this proposed construction activity, I will abide by all applicable laws and requirements that govern owner-builders as well employers. I also understand that the construction must comply will all applicable laws, ordinances, building codes, and zoning regulations.</u>
	I am aware of construction practices and I have access to the Florida Building Code.
