1. The pay item for Expansion Joints is 96 LF. However, we read the lane is 24 LF wide, and there are 5 expansion joints to replace. Therefore, wouldn't the pay item be aprox. 120 LF? Please clarify.

The pay quantity should be 120 LF, not 96 LF. I apologize for the error.

Next question:

1. On sheet B1-1, NOTE 1 states spall areas shown on plan sheets B1-2 to B1-8. However, after review, there is no sheet B1-7, B1-8. Please clarify and/or provide the missing sheets?

The note should read "B1-2 to B1-6." There are no additional sheets beyond what was provided. I apologize for the confusion.
