- C. The COUNTY may reject the payment request or invoice within 20 (twenty) days after the date on which the payment request or invoice is stamped as received by the COUNTY. The rejection must be in writing and must specify the deficiency in the payment request or invoice and the action necessary to make the payment request or invoice proper. In the latter case, the CONTRACTOR may make the necessary corrections and resubmit the Application.

- E. If the COUNTY refuses to make payment of the full amount, the COUNTY must give the CONTRACTOR written notice within 10 (ten) days of receipt of invoice stating the reasons for such action and promptly pay the CONTRACTOR any amount remaining after deduction of the amount so withheld. The COUNTY shall promptly pay the CONTRACTOR the amount so withheld, or any adjustment thereto agreed to by the COUNTY and the CONTRACTOR, when the CONTRACTOR corrects the reasons for such action to the COUNTY's satisfaction.

5.4 All payments made to the CONTRACTOR, whether Progress or Final, shall be in strict accordance with the "Local Government Prompt Payment Act" addressing payment, retainage, and punchlist procedures for the performance of the Work.

5.5 The CONTRACTOR warrants and guarantees that title to all the Work covered by an Application for Payment, whether incorporated in the Work or not, shall pass to the COUNTY prior to the making of the Application for Payment, free and clear of all liens, claims, security interests, purchase money security interest, chattel paper or encumbrances of any nature whatsoever ("Liens").

5.6 The CONTRACTOR shall promptly pay all subcontractors, laborers, materialmen, and suppliers upon receipt of payment from the COUNTY out of the amount paid to the CONTRACTOR on account of such person's portion of the Work, the amount to which such person is entitled, reflecting percentages actually retained from payments to the CONTRACTOR. The CONTRACTOR shall, by appropriate agreement with each subcontractor or other person, require each subcontractor or other person to make payments to sub-subcontractors in similar manner.

5.7 A Certificate of Payment, a progress payment, or partial or entire use of the Project by the COUNTY shall not constitute acceptance of Work not in accordance with the Contract Documents.

5.8 In accordance with the provisions of §255.05, Florida Statutes, where the CONTRACTOR requires a waiver from laborers, materialmen, subcontractors, or sub-subcontractors (as each such term is defined by §713.01, Florida Statutes) of the right to make a claim against the Payment Bond in exchange for or to induce payment of a progress payment or a final payment, such waivers shall comply with the form set forth in §255.05, Florida Statutes, as amended from time to time.

5.9 If one or more Notice of Non-Payment is received by the COUNTY, no further payments will be approved until non-payment(s) have been satisfied and a Release of Claim for each Notice of Non-Payment has been submitted to the COUNTY. Upon request, the CONTRACTOR shall furnish acceptable evidence that all such claims or liens have been satisfied. If the CONTRACTOR fails to satisfy the non-payment, the COUNTY may make payment and back-charge the CONTRACTOR for any and all costs associated with such payment.

5.10 If at any time during the progress of the Work, the CONTRACTOR's actual progress is inadequate to meet the requirements of the Agreement, the COUNTY may, but is not required to, notify the CONTRACTOR to implement some or all of the following remedial actions at the sole cost and expense of the CONTRACTOR:

- A. Increase construction manpower in such quantities and crafts as necessary to eliminate the schedule progress deficiency;
- B. Increase the number of working hours per shift, shifts per working day, working days per week, the amount of construction equipment, or any combination of the foregoing to eliminate the schedule progress deficiency;
- C. Reschedule the Work in conformance with the specification requirements.

5.11 Neither such notice by the COUNTY nor the COUNTY's failure to issue such notice shall relieve the CONTRACTOR of its obligation to achieve the quality of the Work and rate of progress required by the Agreement.

ARTICLE 6 TIME OF PERFORMANCE

TIME IS OF THE ESSENCE UNDER THIS AGREEMENT.

6.1 Prior to requesting an inspection for Substantial Completion the CONTRACTOR shall confirm that:

- A. All construction is complete, the project components are clean, and all systems fully functional.
- B. All utilities are installed or adjusted, as required, and are fully functional.

- C. The Project site is clear of the CONTRACTOR's excess equipment, temporary facilities and/or trailers.
- D. All operations and maintenance manuals for all equipment have been delivered to the COUNTY.
- E. All operations and maintenance training related literature, software, and back-up disks have been delivered to the COUNTY.
- F. All manufacturers' certifications and warranties have been delivered to the COUNTY.
- G. All required spare parts, materials, as well as any special measuring devices and tools have been delivered to the COUNTY.

6.2 The COUNTY shall have the right to exclude the CONTRACTOR from the Project after the date of Substantial Completion, but the COUNTY shall allow the CONTRACTOR reasonable access to complete or correct items on the punch list.

6.3 When the CONTRACTOR considers the Work ready for its intended use, the CONTRACTOR shall notify the COUNTY, in writing, that the Work is substantially complete (except for items specifically listed by the CONTRACTOR as incomplete) and request that the COUNTY issue a certificate of Substantial Completion. Promptly thereafter, the COUNTY and the CONTRACTOR shall make an inspection of the Work to determine the status of completion. For the purpose of this Agreement, and for the compliance of those procedures, duties, and obligations as set forth in §218.70 et seq. and §218.735 et seq., Florida Statutes, the term "Substantial Completion" is defined as that point where the COUNTY is able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that the COUNTY is able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life, safety, and regulatory use, with the exception of incidental or incomplete items except where a lack of completion of such incidental or incomplete items of the Work will adversely affect the complete operation of other areas of the Work. Additional conditions (if any) needed to achieve Substantial Completion of the Work and which are project specific are as set forth in attached Exhibits. If the COUNTY does not consider the Work substantially complete, the COUNTY will notify the CONTRACTOR in writing giving the reasons therefore. If the COUNTY considers the Work substantially complete, the COUNTY will issue and deliver to the CONTRACTOR a certificate of Substantial Completion, which shall fix the date of Substantial Completion. In addition to §218.735(7)(a), Florida Statutes, punch list procedures for construction projects having an estimated cost of less than \$10,000,000 (ten million dollars) to render the Work complete, satisfactory, and acceptable are established as follows:

- A. For construction projects having an estimated cost of less than \$10,000,000 (ten million dollars), the intent of this section is for the COUNTY and the CONTRACTOR to cooperate to develop a Punchlist no later than 30 (thirty) calendar days from the date of reaching Substantial Completion. For construction projects having an estimated cost of

\$10,000,000 (ten million dollars) or more, the intent of this section is for the COUNTY and the CONTRACTOR to cooperate to develop a Punchlist no later than 30 (thirty) calendar days from the date of reaching Substantial Completion, unless otherwise extended by contract not to exceed 45 (forty-five) calendar days.

- B. Within 5 (five) days of Substantial Completion of the Project, the CONTRACTOR shall schedule a walkthrough with the COUNTY (“Punchlist Walkthrough”). The purpose of the Punchlist Walkthrough is to 1) determine that the project has achieved Substantial Completion, and if so, to develop a Punchlist of items to be performed by the CONTRACTOR, based upon observations made jointly between the CONTRACTOR and the COUNTY during the Punchlist Walkthrough and 2) to establish an estimated cost to complete each item on the Punchlist. The COUNTY may include within such cost estimation the total costs for completing such item of work, including the administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. The COUNTY shall issue the Final Punchlist, including the estimated cost for each item, within 30 (thirty) days of the Substantial Completion date.
- C. The CONTRACTOR shall endeavor to address and complete as many items as possible noted on the Punchlist either during the Punchlist Walkthrough itself or within 20 (twenty) days from the date of the Punchlist Walkthrough.
- D. No more than 20 (twenty) days following the issuance of the Final Punchlist, the CONTRACTOR shall again initiate and request a second walkthrough (“Final Walkthrough”) of the Project with the COUNTY. The purpose of the Final Walkthrough is to identify which items on the Punchlist remain incomplete and to supplement that list as legally necessary (based, for example, upon work which may have been damaged as a result of the CONTRACTOR’s performance of completion of items contained on the Punchlist.
- E. Within twenty (20) business day after the Punchlist is created, the COUNTY must pay the contractor the remaining contract balance less an amount equal to 150% of the estimated cost to complete any items remaining on the Punchlist.
- F. The CONTRACTOR shall complete the Final Punchlist items within 30 (thirty) days of the date of its issuance by the COUNTY.
- G. The CONTRACTOR acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as: (i) the Final Punchlist is 100% (one hundred percent) complete; and (ii) the COUNTY has been able to operate or utilize the affected Punchlist item for 15 (fifteen) days, whichever occurs last.
- H. The CONTRACTOR acknowledges and agrees that the COUNTY may, at their option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the CONTRACTOR to address. The intent of any such lists prior to Substantial Completion is to streamline the Punchlist

process upon achieving Substantial Completion, and to allow for the CONTRACTOR to address needed areas of corrective work as they may be observed by the COUNTY during performance of the Work.

6.4 If Substantial Completion has not been obtained at the Punchlist Walkthrough inspection called by the CONTRACTOR, for reasons that are the fault of the CONTRACTOR, the cost of any subsequent inspections requested by the CONTRACTOR for the purpose of determining Substantial Completion shall be at the cost of the CONTRACTOR and shall be assessed against the final payment application. Punch list items recorded as a result of inspections for Substantial Completion are to be corrected by the CONTRACTOR within the timeframe established.

6.5 Use by the COUNTY, at the COUNTY's option, of any substantially completed part of the Work which has specifically been identified in the Contract Documents, or which the COUNTY and the CONTRACTOR agree constitutes a separately functioning and usable part of the Work that can be used by the COUNTY for its intended purpose without significant interference with the CONTRACTOR's performance of the remainder of the Work, may be accomplished prior to Substantial Completion of all the Work subject to the following conditions.

- A. The COUNTY may request, in writing, the CONTRACTOR permit the COUNTY to use any such part of the Work which the COUNTY believes to be ready for its intended use and substantially complete. If the CONTRACTOR agrees that such part of the Work is ready for its intended use and substantially complete, the CONTRACTOR will certify to the COUNTY that such part of the Work is substantially complete and will request the COUNTY issue a certificate of Substantial Completion for that part of the Work. The CONTRACTOR may notify, in writing, the COUNTY that the CONTRACTOR considers any such part of the Work ready for its intended use and substantially complete and request the COUNTY issue a certificate of Substantial Completion for that part of the Work. Within a reasonable time after either a request or notification is made, the COUNTY and the CONTRACTOR shall inspect that part of the Work to determine its status of completion. If the COUNTY does not consider that part of the Work to be substantially complete, the COUNTY will notify the CONTRACTOR in writing giving the reasons therefore.
- B. No occupancy or separate operation of part of the Work may occur prior to compliance with the requirements of this Agreement regarding property insurance.

6.6 Upon written notice from the CONTRACTOR that the entire Work, or an agreed portion thereof, is complete, the COUNTY will promptly make a final inspection with the CONTRACTOR and will notify the CONTRACTOR in writing of all particulars in which this inspection reveals that the Work is incomplete or defective. The CONTRACTOR shall immediately take such measures necessary to complete such Work or remedy such deficiencies.

ARTICLE 7

LIQUIDATED DAMAGES; FORCE MAJEURE

7.1 Upon failure of the CONTRACTOR to Substantially Complete the Agreement within the specified period of time, plus approved time extensions, the CONTRACTOR shall pay to the COUNTY daily liquidated damages in the amount shown on Page 1 of this Agreement to reflect the COUNTY's estimated damages resulting from the delay to Substantial Completion.

7.2 Upon failure of the CONTRACTOR to Finally Complete the Agreement within the specified period of time, plus approved time extensions, the CONTRACTOR shall pay to the COUNTY daily liquidated damages in the amount shown on Page 1 of this Agreement to reflect the COUNTY's estimated damages resulting from the delay to Final Completion.

7.3 Milestones, milestone completion dates, and applicable Liquidated Damages shall be in accordance with the Contract Documents.

7.4 If the milestones are not strictly complied with, then Liquidated Damages will be assessed against the CONTRACTOR, which are agreed upon, and it is further agreed that such Liquidated Damages bear a reasonable relationship to damages to be incurred by the COUNTY and are not a penalty.

7.5 Force Majeure. A party shall not be liable for any failure of or delay in the performance of this agreement for the period that such failure or delay is beyond the reasonable control of a party, materially affecting the performance of any of its obligations under this agreement, and could not reasonably have been foreseen or provided against, but will not be excused for failure or delay resulting from only general economic conditions or other general market effects. If either party invokes this provision to avoid performance of any obligation under this Agreement and a Court determines that party wrongfully invoked this provision to evade performance of such an obligation, the aggrieved party shall be entitled to its reasonable attorney's fees and costs for obtaining the Court's determination of the same.

ARTICLE 8

CLAIMS FOR ADDITIONAL TIME

8.1 If the CONTRACTOR's performance of this Agreement is delayed, either by delays that are beyond the reasonable control and without the fault or negligence of the CONTRACTOR or its subcontractors or by changes ordered in the Work, and in either event where such delay or change in the Work affects the critical path, then the Agreement Time shall be extended by Change Order as determined by the COUNTY. If the CONTRACTOR wishes to make Claim for an increase in the Contract Time, the CONTRACTOR shall provide the COUNTY a written notice of claim upon discovering the cause of the alleged delay. Such notice of claim shall include the following information, or else be waived:

A. Nature of the delay or change in the Work;

- B. Dates of commencement and cessation of the delay or change in the Work;
- C. Activities on the current progress schedule affected by the delay or change in the Work;
- D. Identification and demonstration that the delay or change in the Work affects the critical path;
- E. Identification of the source of delay or change in the Work;
- F. Anticipated extent of the delay or change in the Work; and
- G. Recommended action to minimize the delay.

8.2 The CONTRACTOR shall not be entitled to any extension of time for delays resulting from any cause unless the CONTRACTOR has notified the COUNTY in writing within 7 (seven) days of commencement of the delay.

8.3 No Damages for Delay; Exclusive Remedy. The CONTRACTOR shall not be entitled to and hereby waives any and all claims for damages which it may suffer by reason of delay, acceleration, loss of efficiency, or other related time or impact-based claims (hereinafter collectively "delay") or for delay attributable to any foreseen or unforeseen condition, or for delays claimed to be the result of active, intentional, knowing, or passive interference by the COUNTY, or its agents, and waives damages that it may suffer by reason of such claims for lost profits, loss or impairment of bonding capacity, destruction of business, extended overhead, supervision, extended, unabsorbed home office overhead; the extension of time granted herein, being the CONTRACTOR's sole remedy, with the exception that in the event of demonstrated critical, compensable, non-concurrent delay suffered by the CONTRACTOR, the CONTRACTOR may claim as its sole and exclusive remedy any associated, extended direct jobsite general conditions expended by the CONTRACTOR (hereinafter "applicable extended general conditions") in a sum not to exceed \$250.00 per each day of delay. Apart from extensions of time or acceleration costs approved by the COUNTY and any applicable extended general conditions, no payment of claim for delay damages shall be made to the CONTRACTOR as compensation for damages for any delays or hindrances from any cause whatsoever in the progress of the Work, whether such delay be avoidable or unavoidable. Notwithstanding anything herein to the contrary, provided the CONTRACTOR has otherwise satisfied the requirements of this Agreement, the CONTRACTOR shall be entitled to an increase in the Contract Price based upon approved general condition, insurance, and bond premium costs resulting from delays for which the COUNTY has approved by Change Order or Construction Change Directive, provided, however, the COUNTY shall not be required to pay such additional amounts for any days following the date on which the CONTRACTOR achieves Final Completion for the appropriate portion of the Work.

8.4 The time during which the CONTRACTOR is delayed in the performance of the Work by the acts or omissions of the COUNTY, acts of God, unusually severe and abnormal climatic conditions or other conditions beyond the CONTRACTOR's control and which the CONTRACTOR could not reasonably have foreseen and provided against, shall be added to the Contract Time stated in the Agreement; provided, however, that no claim by the CONTRACTOR

for an extension of time for such delays be considered unless made in accordance with Paragraph 8.1.

8.5 The COUNTY shall not be obligated or liable to the CONTRACTOR for and the CONTRACTOR hereby expressly waives any claims against any damages, costs, or expenses of any nature whatsoever which the CONTRACTOR, its subcontractors or sub-subcontractors may incur as a result of any delays, interferences, suspensions, rescheduling, changes in sequence, congestion, disruptions or the like, arising from or out of any act or omission of the COUNTY, or any of the events referred to in Paragraph 8.4 above, it being understood and agreed that the CONTRACTOR's sole and exclusive remedy in such event shall be an extension of Contract Time, but only if claim is properly made in accordance with Paragraph 8.1.

8.6 If adverse weather conditions are the basis for a Claim for additional time, such Claim shall be documented by data substantiating that weather conditions were abnormal for the period of time, could not have been reasonably anticipated, and had an adverse effect on the scheduled critical path of construction. Based on 30-Year, National Weather Service historical rainfall averages for Jefferson County, the CONTRACTOR shall anticipate the amount of rainfall days affecting the schedule as normal conditions outlined in the following months below:

ARTICLE 9 SITE CONDITIONS

9.1 Field Measurements. Before undertaking each part of the construction, the CONTRACTOR shall carefully study and compare the Contract Documents and check and verify pertinent figures shown thereon and all applicable field measurements. The CONTRACTOR shall promptly report in writing to the COUNTY any conflict, error, or discrepancy that the CONTRACTOR or any of its subcontractors or Suppliers may discover and shall obtain a written interpretation or clarification from the COUNTY before proceeding with any Work affected. The CONTRACTOR shall remain liable to the COUNTY for failure to report any conflict, error, ambiguity, or discrepancy in the Contract Documents prepared by the CONTRACTOR.

9.2 Differing Site Conditions. The CONTRACTOR shall promptly, and before such conditions are disturbed, notify the COUNTY in writing of: (A) subsurface or latent physical conditions at the site differing materially from those indicated in this Agreement; or (B) unknown physical conditions at the site of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in the Work of the character provided for in this Agreement. The COUNTY will promptly investigate the conditions, and if it finds that such conditions do materially so differ and cause an increase or decrease in the CONTRACTOR's cost of, or the time required for, performance of any part of the Work under this Agreement, an equitable adjustment shall be made and the Agreement modified in writing accordingly. The CONTRACTOR's failure to provide notice upon discovery of the differing site condition shall waive any entitlement to such an adjustment in the Contract Price or Contract Time.

9.3 Physical Conditions (Including Underground Facilities). The CONTRACTOR shall have full responsibility for physical conditions, and Underground Facilities owned by the COUNTY or others, as shown or indicated in the Contract Documents. The CONTRACTOR shall have full responsibility for reviewing and checking all such information and data. The COUNTY shall not be responsible for accuracy or completeness of data, plans, and specifications and the CONTRACTOR shall have full responsibility for checking all information and data. If the Contract Documents necessitate amending to order changes in the Work due to Underground Facilities owned by the COUNTY or others, whether they be shown or indicated or newly discovered, the COUNTY shall authorize the required changes in the Work by Change Order. If those Underground Facilities owned by the COUNTY or others cause or will cause delays in the performance or extend completion of all or part of the work, the CONTRACTOR shall absorb all related delay, extension, or acceleration costs, however caused, except that if the COUNTY and the CONTRACTOR agree that the delays require a change in Contract Time, the COUNTY shall authorize the necessary change in Contract Time only to the extent that such delays exceed 30 (thirty) days impact to controlling work items. However, an extension in Contract Time, when and if so granted shall be the CONTRACTOR's sole and exclusive remedy with respect to the COUNTY for any delay, disruption, interference, inefficiency, acceleration, extension or hindrance, and associated costs, however caused, resulting from variance in the location or configuration of Underground Facilities owned by the COUNTY or others as shown or indicated, or from newly discovered Underground Facilities owned by the COUNTY or others.

9.4 Special Requirements for Underground Facilities. The CONTRACTOR shall have full responsibility for the following list. Except as otherwise provided, all costs involved and time required to perform these responsibilities shall be considered as having been included in the Contract Price and in the CONTRACTOR's schedule for the performance of the Work within the Contract Time, even if the Contract Documents need amending to authorize minor deviations or changes in the Work due to those Underground Facilities including utilities.

- A. Field locating any and all Underground Facilities including utilities shown or indicated as to depth and alignment in advance of excavation;
- B. Notifying the COUNTY of any newly discovered Underground Facility and promptly notifying that the COUNTY of that discovery;
- C. Shoring, blocking and protecting Underground Facilities including utilities shown, indicated or discovered;
- D. Coordination, scheduling and sequencing the Work with the COUNTY's of all Underground Facilities shown, indicated or discovered;
- E. Repairing any damage to the satisfaction of the COUNTY, to the extent that the damage was due to the CONTRACTOR's failure to adhere to the requirements, or to the fault or negligence of the CONTRACTOR; and
- F. The safety and protection of any affected the Work, and for repairing any damage done to the work.

9.5 If those Underground Facilities owned by the COUNTY or others cause or will cause delays in the performance or extend completion of all or part of the work, the CONTRACTOR shall absorb all related delay, extension or acceleration costs, however caused, except that if the COUNTY and the CONTRACTOR agree that the delays require a change in Contract Time, the COUNTY shall authorize the necessary change in Contract Time only to the extent that such delays exceed 30 (thirty) days impact to controlling work items. However, an extension in Contract Time, when and if so granted shall be the CONTRACTOR's sole and exclusive remedy with respect to the COUNTY for any delay, disruption, interference, inefficiency, acceleration, extension or hindrance and associated costs, however caused, resulting from variance in the location or configuration of Underground Facilities owned by the COUNTY or others shown or indicated, or from newly discovered Underground Facilities owned by the COUNTY or others.

9.6 Unless it prejudices the Work already excavated and uncovered, the CONTRACTOR shall schedule layout, excavation and uncovering of the Work or Underground Facilities a sufficient time in advance to allow the COUNTY'S design professional's review, and the possible amending or supplementing of the Contract Documents.

ARTICLE 10 INDEMNIFICATION

The CONTRACTOR hereby assumes entire responsibility and liability for any and all damage or injury of any kind or nature whatever (including death resulting therefrom) to all persons, whether employees of any tier of the CONTRACTOR, its SUBCONTRACTS, CONSULTANTS or SUPPLIERS or otherwise, and to all property caused by, resulting from, arising out of or occurring in connection with the execution of the Agreement, or in preparation for the work and services under this Agreement, or any extension, modification, or amendment thereto by change order to otherwise.

The CONTRACTOR hereby agrees to indemnify and hold harmless the COUNTY and its officers and employees from liabilities, damages, lawsuits, and costs, including but not limited to, reasonable attorney's fees and court costs, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of the CONTRACTOR or persons employed or utilized by the CONTRACTOR in the performance of this Agreement.

ARTICLE 11 TERMINATION

11.1 Notwithstanding any other provision of this Agreement, the CONTRACTOR may be held in default of its contractual obligation under this Agreement if the CONTRACTOR:

- A. refuses or fails to supply enough properly skilled workers or proper and sufficient materials and equipment;
- B. fails to make payment to subcontractor for materials or labor in accordance with the respective agreements between the CONTRACTOR and the subcontractors;

- C. disregards laws, ordinances, or rules, regulations or orders of a public authority having jurisdiction;
- D. performs the Work that does not conform to Contract Documents requirements;
- E. fails to meet the Contract Schedule or fails to make progress on the Work so as to endanger performance of the Agreement;
- F. abandons or refuses to proceed with any or all the Work; or
- G. otherwise breaches, fails to comply fully with, or is in default of any provision of the Contract Documents.

11.2 The COUNTY must provide written notice to the CONTRACTOR notifying it that the COUNTY is declaring it in default and providing the CONTRACTOR with 3 (three) business days after receipt of such written notice of default, to cure such default. In the event that the CONTRACTOR fails to cure the default within the 3 (three) business day default period, the COUNTY may:

- A. take possession of the Work site and of all materials, equipment, tools, and construction equipment and machinery thereon owned by the CONTRACTOR; and
- B. accept assignment of subcontracts pursuant to this Agreement; and
 - (i) finish the Work by whatever reasonable method the COUNTY may deem expedient, and charge all completion costs against any monies owed or to be owed to the CONTRACTOR, or back charge the CONTRACTOR for any and all such completion costs, or
 - (ii) terminate the CONTRACTOR and hire a completion contractor to finish the Work by whatever reasonable method the COUNTY may deem expedient, and charge all completion costs, including costs for construction, architectural, engineering, project management, and any other expenses, against any monies owed or to be owed to the CONTRACTOR, or backcharge the CONTRACTOR for any and all such completion costs, or
- C. set off any and all such completion costs against any monies then due or to become due on any other projects that the COUNTY has with the CONTRACTOR.

11.3 Upon default, the CONTRACTOR shall not be entitled to receive further payment until the Work is finished.

11.4 If, after notice of termination, it is determined for any reason that the CONTRACTOR was not in default, or that the delay was excusable under the provisions of the Contract Documents, the rights and obligations of the parties shall be the same as if the notice of termination had been a Termination by the COUNTY for Convenience.

11.5 Pursuant to Section 287.135, Fla. Stat., the COUNTY may immediately terminate this Agreement for cause if the CONTRACTOR, its affiliates, or its subcontractors are found to have submitted a false certification per Section 4.22 of this Agreement; or if the CONTRACTOR, its affiliates, or its subcontractors are placed on any applicable scrutinized companies list or engaged in prohibited contracting activity during the term of this Agreement. As provided in Section 287.135(8), Fla. Stat., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

11.6 Termination by the COUNTY for Convenience. Notwithstanding any other provision to the contrary in the Contract Documents, the COUNTY reserves the right at any time and in its sole and absolute discretion to terminate the services of the CONTRACTOR with respect to the Work by giving written notice to the CONTRACTOR. In such event, the CONTRACTOR shall be entitled to, and the COUNTY shall reimburse the CONTRACTOR for, an equitable portion of the Contract Price based on the portion of the Work completed prior to the effective date of termination and for any other reasonably expended costs attributable to such termination. However, the CONTRACTOR shall not be entitled to receive its anticipated profits for any unperformed Work.

ARTICLE 12 SUSPENSION OF WORK

The COUNTY may, without cause, order the CONTRACTOR in writing to suspend, delay, or interrupt the Work in whole or in part for such period of time as the COUNTY may determine.

ARTICLE 13 CHANGES IN THE WORK

13.1 The COUNTY may, at any time or from time to time, order additions, deletions, or revisions in the Work by requesting a proposal from the CONTRACTOR detailing the proposed additions, deletions, or revisions to the Work. The proposal shall include such details as man-hours, man-hour rates, quantities, quantity unit rates, equipment, equipment unit rates, and mark-ups. The CONTRACTOR shall complete and return the proposal to the COUNTY within 10 (ten) days from receipt thereof. The proposal shall include any increases or decreases in Contract Time or Contract Price and shall include any additional modifications required by virtue of the requested change, whether or not such additional modifications were specifically identified in the request for proposal. The proposal may then be: (A) issued as a Change Order in accordance with the provisions of the Contract Documents; (B) modified and thereafter issued as a Change Order in accordance with the provisions of the Contract Documents; or (C) withdrawn.

13.2 The COUNTY may authorize minor changes or alterations in the Work involving minimal cost or time and not inconsistent with the overall intent of the Contract Documents. These may be accomplished by a Field Order. If the CONTRACTOR believes that any minor change or alterations authorized by the COUNTY entitles it to an increase in the Contract Price or extension of Contract Time, it shall treat the Field Order as a request for proposal and issue a proposal for the change in Contract Price and Contract Time prior to proceeding with the Work covered in the Field Order. The procedures outlined in the Contract Documents shall then be followed.

Acceptance of the Final Payment by the CONTRACTOR shall constitute acknowledgment by the CONTRACTOR that all payments due for modifications required under Field Orders have been incorporated into the Final Payment.

13.3 Additional Work performed by the CONTRACTOR without authorization of a written Change Order will not entitle it to an increase in the Contract Price or an extension of the Contract Time.

13.4 It is the CONTRACTOR's responsibility to notify its Surety of any changes affecting the general scope of the Work or change in the Contract Price and the amount of the applicable Bonds shall be adjusted accordingly. The CONTRACTOR shall furnish proof of such adjustment to the COUNTY.

13.5 The COUNTY may, at any time, without notice to the Surety, by Field Order or by properly executed Change Order, make any change in the Work within the general scope of the Contract Documents, including but not limited to changes:

- A. in the Drawings and designs, and Specifications;
- B. in the method or manner of performance of the Work;
- C. directing acceleration in the performance of the Work.

13.6 Except as herein provided, no order, statement, or conduct of the COUNTY shall be treated as a Change Order or Field Order or entitle the CONTRACTOR to an equitable adjustment hereunder.

13.7 No claim by the CONTRACTOR for an equitable adjustment hereunder shall be allowed if asserted after final payment under this Agreement.

13.8 The value of any Work covered by a Field Order, Change Order or of any claim for an increase or decrease in the Contract Price shall be determined in one of the following ways at the sole discretion of the COUNTY:

- A. where the Work involved is covered by unit prices contained in the Contract Documents, by application of unit prices to the quantities of the items involved;
- B. by negotiated lump sum; or
- C. cost plus. If this option is selected, the COUNTY reserves the right to request any and all documentation from the CONTRACTOR in support of its foregoing Actual Costs, and the CONTRACTOR agrees promptly to supply such information.

13.9 For changes in the Work performed by the CONTRACTOR's own forces, the CONTRACTOR shall be entitled to a percentage 10% (ten percent) mark-up for Actual Costs as defined in Section 1.

13.10 For changes in the Work performed by subcontractors: (A) the subcontractor shall be entitled to mark-up the cost of the change(s) by 10% (ten percent); and (B) the CONTRACTOR shall be entitled to mark-up the subcontractor's total by 5% (five percent). The foregoing shall be the maximum amount allowable for subcontractor's and the CONTRACTOR's Actual Costs as defined in Section 1.

ARTICLE 14

MATERIALS, EQUIPMENT AND WORKMANSHIP; SUBSTITUTIONS

14.1 Only new, unused items of recent manufacture, of designated quality, free from defects, will be accepted. Rejected items shall be removed immediately from the Work and replaced with items of specified quality. Failure by the COUNTY to order removal of rejected materials and equipment shall not relieve the CONTRACTOR from responsibility for quality of the materials supplied or from any other obligation under the Contract Documents.

14.2 No Work defective in construction or quality, or deficient in meeting any requirement of the Contract Drawings and Specifications, will be acceptable regardless of the COUNTY's failure to discover or to point out defects or deficiencies during construction; nor will the presence of field representatives at the Work or the satisfaction of the Work meeting applicable code requirements relieve the CONTRACTOR from responsibility for the quality and securing progress of the Work as required by the Contract Documents.

14.3 Prior to proposing any substitute item, the CONTRACTOR shall satisfy itself that the item proposed is, in fact, equal or better to that specified, that such item will fit into the space allocated, that such item affords comparable ease of operation, maintenance and service, that the appearance, longevity and suitability for the climate are comparable, and that by reason of cost savings, reduced construction time, or similar demonstrable benefit, the substitution of such item will be in the COUNTY's interest, and will in no way have a detrimental effect upon the Project completion date and schedule.

- A. The burden of proof of equality of a proposed substitution for a specified item shall be upon the CONTRACTOR. The CONTRACTOR shall support its request with sufficient test data and other means to permit the COUNTY to make a fair and equitable decision on the merits of the proposal. The CONTRACTOR shall submit drawings, samples, data and certificates and additional information as may be required by the COUNTY for proposed substitute items as required by the Contract Documents.
- B. Any item by a manufacturer other than those specified or of brand name or model number or of generic species other than those specified will be considered a substitution. The COUNTY will be the sole judge of whether or not the substitution is equal in quality, utility, and economy to that specified.
- C. The CONTRACTOR shall allow an additional 15 (fifteen) days for the COUNTY's review of requested substitutions. All requests for substitutions with submittal data must be made at least 50 (fifty) days prior to the time the CONTRACTOR must order,

purchase or release for manufacture or fabrication. Approval of a substitution shall not relieve the CONTRACTOR from responsibility for compliance with all requirements of the Agreement. The CONTRACTOR shall coordinate the change with all trades and bear the expense for any changes in other parts of the Work caused by any substitutions.
