To whom it may concern,

The Jefferson County Florida Board of County Commissioners are requesting bids for chain link fencing around the new animal control kennels located at:

Jefferson County Solid Waste & Recycling
1697 South Jefferson Street
Monticello, Florida 32344

We are needing two (2) large sections of commercial grade chain link fencing fifty (50) feet in length on each side and six (6) feet in height to enclose an area for the animals to exercise (red lines in the image to the right below) that will be connected at a corner and abutting the two (2) new kennels.

All posts must be secured into the ground using a minimum of one bag of sixty (60) lb. concrete.

Additionally, we will need one (1) lockable gate (red line between the black boxes in image to the right below) approximately six (6) foot wide and six (6) feet high between the two (2) new kennels (black boxes in image to the right below) to allow people to move in and out of the fenced in area.

Additional specifics of project:

Size of Terminal Posts = 3in terminal posts, dq 40

Size of Line Posts = 1 7/8 line post, dq 40

Size of Top Rail = 1 5/8 top rail, cq 20

Pipe spec required for all posts and rail = Dq 40

The contractor is responsible for supplying all latches, hinges, and any other hardware. A 9 gauge bottom tension wire is also required.

Jefferson County Board of County Commissioners request you submit your quote on a company letterhead. Submit your quote via email to: qatkinson@jeffersoncountyfl.gov

Proposals may be submitted starting June 3rd, 2025 and the deadline for submitting is June 20th, 2025 at 3:00 pm EST. Preference will be given to licensed Jefferson County based businesses.
