To Whom it May Concern,

The Jefferson County Florida Board of County Commissioners are requesting bids from licensed and insured lawn care contractors for a project at the old Jefferson County Landfill located south of Tyson Road, 1405 Landfill Road, Monticello, Florida.

There are approximately twenty (20) acres of land with this property that requires mowing and weed-eating once a month from April thru November for a total of eight (8) times during this time period. Additionally, this contract would also require a site visit from December thru March to inspect for any sinkholes due to soil settling* for a total of four (4) visits.

**Soil settling in landfills is a natural process where the waste and soil compact and settle over time.*

Sinkholes would need to be reported to the Jefferson County Solid Waste Department: 850-342-0184

If you would like to see the site, please contact Robbie Slack at the Solid Waste Department: 850-342-0184

Jefferson County Board of County Commissioners request you submit your quote on a company letterhead. Submit your quote via email to: qatkinson@jeffersoncountyfl.gov

Should you have any questions, please contact the Building and Planning Office at: 850-342-0223

Thank you,

Quinn Atkinson
Planning Assistant
