

RFP 2025-07 Professional Auditing Services

RFP 2025-07

ADDENDUM NO. 1

Exhibit B

JEFFERSON COUNTY
BOARD OF COUNTY COMMISSIONERS

**ADDENDUM NO. 1 TO
REQUEST FOR PROPOSALS NO: 2026-02
Jefferson County, Department of Health, Wind Retrofit
Issued April 9, 2026**

This addendum is being posted to inform prospective bidders of questions received.

1. Please confirm whether bidders are required to provide wind protection for **all openings**, or if partial bids (such as **windows only**) will be accepted.

Wind protection is only for the windows.

2. Please confirm whether bidders may exclude **doors, storefront systems, and other non-window openings**, and if desired, provide **alternate pricing** for those items (such as shutters or other protection methods).

This project is only for the windows, we will not be awarding any funds for anything else.

3. Please confirm whether **engineering and wind load design** will be provided by the County, or if it is expected to be included as part of the contractor's bid.

Engineering is not required for this project.

4. Please confirm whether a **building permit will be required** for this project, and if so, whether the **County will obtain the permit** or if it will be the **contractor's responsibility**.

Yes, permits are required, but there is no cost to pull the permit. It is the responsibility of the contractor to pull all permits.
