A new 911 address will be assigned when requested; however, all 911 addresses are based upon the measured location of the center of the driveway access point to the property. Driveway connections to any public or private road that provide access to a residence shall be required to obtain a Jefferson County 911 address.

NOTE: When an existing driveway becomes the access point for a third residence, the 911 address for new residences will be based on driveway locations on the new private road. The proposed road name shall be approved by the Planning Official in accordance with **Section 10-135** of the **Jefferson County Code**. Please refer to **Jefferson County Code Sec. 10-138. - Posting of numbers** for information regarding the type, care, and placement of 911 address signage.
